

Aftercare Instructions for SkinStylus Microneedling and Vivace RF Microneedling

VIVACE ONLY: Apply Soothing Mask for 30 to 60 minutes within the first 4 hours after your treatment

For cleansing, use a mild non-medicated cleanser at least twice daily for 5-7 days.

Do not use any additional skincare products during the first 48-72 hours following your treatment, unless advised by your clinician. Appropriate after care products will be recommended by your aesthetician or clinician.

Do not exercise or engage in activities that significantly increase your heart rate 24-48 hours after treatment.

Makeup may be applied starting 72 hours after treatment. Use clean makeup brushes. Mineral-based makeup is ideal during post treatment period.

Avoid sun exposure for 3 days post treatment. Wear your hat and sunscreen!

Refrain from use of exfoliating and retinol/retinoid products for 7-10 days post treatment.

Call office if there is significant pain, fever >100F, pus formation or unexpected healing.

Call your clinician for any additional questions: 469-480-8100
